REFUNDS

- **Refund within the initial 14-day period**
Your participants may cancel their cover under your group policy and receive a 100% refund of their opt-in costs, without giving reason, by sending us written notice within 14 days of the date they opted in, or if later, within 14 days of them receiving their contractual documentation. However, we will not refund any of their opt-in costs if they have made a claim.
- **Refund after the initial 14-day period**
Whilst your participants may cancel this cover after the 14-day cooling-off period, no refund of their opt-in costs will be payable.
- **Refund if the event is cancelled or postponed by the organiser or governing body**
If the event has been cancelled by the organiser, or a cancellation has been enforced by a governing body, we will refund 75% of your participants' group policy opt-in cost. They must request the refund by emailing support@yellowjersey.co.uk within 14 days of the date of the event cancellation, otherwise no refund will be paid. For the avoidance of doubt, the date of cancellation shall begin on the day that OSB sends participants a written notification via email declaring that an event is cancelled.
- **Refund by us**
We may cancel a participant's cover by sending them 7 days' notice to their last known address. We will refund in full, so long as they have not made a claim. If they have made a claim, there will be no refund.

CLAIMS

Remember that it is a condition of your policy that your participants must provide all information and assistance we may require during the course of our investigations. Failure to do so may result in unnecessary delays and expense being incurred or their claim not being paid

HOW WE WILL SETTLE PEDAL CYCLE CLAIMS

We won't pay more than the amount it would have cost us to replace or repair using our own suppliers.

We do not have to use any pedal cycle dealer or distributor nominated or selected by your participants. However, if their preferred pedal cycle dealer or distributor will match the prices available to us, and work with us directly, we will consider their request.

They must accept that we may appoint a specialist, including carbon restoration experts, to investigate, repair and restore any pedal cycle claim on our behalf. They must retain any damaged pedal cycles for inspection unless we have advised otherwise.

The most we will pay will be the value of the pedal cycle.

Where there is a partial loss we will pay the proportionate value of the damaged item(s) being claimed for rather the full pedal cycle replacement cost as new. For a bespoke build, this may be restricted to the value for the individual damaged part.
